 North Logan, UT 84341

Permit No \_\_\_\_\_

**APPLICATION FOR SIGN PERMIT**

This application must be accompanied by 2 copies of the proposed sign and site plan or building elevations, indicating the location of the sign(s) on the lot or building (these must be to scale). **Building inspections are required for some signs** (see sec 12C-608 of the Sign Ordinance for details on requirements). **This permit will expire in 30 days unless a building inspection has been performed by the Building Department.** A copy of the approved sign permit, including all drawings, must be on site at the time of inspection. For any questions about sign height, size, or placement, please contact the Planning staff.

Project Address:	Zoning:	Current Use:

Property Owner:	Phone Number:	
Address:	Owner/Property Manager Signature:	
Sign Contractor:	Utah State Contractor No.	
Address:	Phone No.	

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances for this type of work will be complied with, whether specified herein or not. I understand that the granting of this permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury. By signing this agreement, I understand that plans must remain on-site and the address must be clearly marked to get an inspection. A 24-hour notice is required in order to schedule an inspection,
