MAYOR'S MESSAGE:

Art on the Lawn is a North Logan community event that is well known throughout Cache Valley and beyond. It started out as an informal art show with just a few people participating and has since grown to host more than 1,000 people who come and enjoy a great summer day with their friends and families. This year it will be on Saturday, June 30th, from 10:00am to 6:00pm

The Dean F. & Bessie Peterson Foundation was created by Cary & Lucy Peterson-Watkins to honor the memory of Dean F. Peterson and Bessie C. Peterson. They were a force in the community providing financial assistance and encouragement for the education of young men and women. The foundation provides gifts to promote art and literacy education. Monies are raised through donations from individuals and private enterprise. An annual event within the foundation called "**Art on the Lawn**" is held at the historic grounds where Dean Peterson's mother, Lucille, lived. This landmark 122 year old property at 1491 East and 2300 North has been restored and is on the Utah State Historical Record. It is now part of the property owned by Lucy and Cary Watkins.

Now in its eighth year, Art on the Lawn has given \$60,000 to help fund art programs in the local high schools and art scholarships; and has provided \$12,000 to the North Logan Friends of the Library. The city and community pitches in to make Art on the Lawn happen. North Logan artists Michael Bingham and Lee Burningham host exhibiting artists of Cache Valley. Friends of the Library, Linda & Joe Keith and Joe Hawkes, organize volunteers to sell Aggie ice cream, soft drinks and hot dogs. Ken Cook of the Antique Car Club, drives in classic cars for display. Other community volunteers help out with setting up the event, providing entertainment, helping display art and providing activities for the children.

Come out and enjoy the art. For additional information on this year's event, visit <http://artonthelawn.net>

Municipal General Election	Tuesday, November 06, 2012

What's Happening in City Council?

The City Council meetings for the month of June will be on the 6th and the 20th starting at 6:30 pm.

As of the date of preparing this newsletter the majority of the items on the agenda for June are those relating to preparing the budget for fiscal year 2013 which starts July 1, 2012. The agendas for the meetings in June will include a public hearing on the budget on June 6th and final adoption of the budget during the June 20th meeting.

Also in June there will be discussions about the development plan for a mixed-use multi-family complex, The Cove at North Logan. This is a townhome type development in the Mixed-Use General zone located on the south side of 2200 East between 400 and 500 East.

The city council and planning commission have also been working on changes to the city's general plan. The general plan's transportation element and the housing element will likely be considered for changes during the council meetings in June.

Look for the official council agendas as they are posted at the city offices and the library. The Herald Journal is given a copy of the official agenda as well, and they normally print it in the newspaper a day or two before the meeting.

Storm Water Pollution Prevention & Lawn Care - Here are some things we ought to think about in caring for our lawns to help reduce the impact on storm water pollution:

Yard Trimmings Management. Improper disposal of yard trimmings can lead to increased nutrient levels in runoff. Yard trimmings deposited on street corners may be washed down storm sewers and result in elevated nutrient loadings to surface waters. Proper management of yard trimmings and home composting can reduce the level of nutrients in runoff and decrease overall runoff volumes through the addition of humus to the soil. Increased levels of humus enhance soil permeability, decrease erosion, and provide nutrients in a less soluble form than commercial fertilizers.

DO NOT PUT LAWN TRIMMINGS IN THE CANALS!

Smart Use of Fertilizers. Carefully consider the application of fertilizers to your lawn. Some studies have found that over 50 percent of the nitrogen in fertilizer leaches from lawns because they are improperly applied. Our canal system, which is also our main storm water conveyance system, can be overloaded with nitrogen and/or phosphorus. Smart use of fertilizers can effectively reduce nitrogen and phosphorus loadings on our waterways through the proper application of nutrients. Fertilizer costs may also be reduced. Follow instructions carefully on the products you buy and seek professional help.

Tips. There are some simple tips to follow in lawn care to help reduce pollution of our canals and ultimately the natural waterways in Cache Valley:

- Plant native plants to reduce the need for water, fertilizers, pesticides and herbicides.
- Use fertilizers and pesticides sparingly. Use a low to no phosphorus fertilizer. Apply only the recommended amounts and avoid applying if rain or wind is forecasted.
- Use organic, biodegradable, non-toxic pesticides. Use fertilizers with less than 2 percent phosphorus. Mix and load fertilizers or pesticides on the grass, not on driveways or paved surfaces. Apply only ¼ inch of water to soak lawn chemicals into the ground.
- Only treat problem areas with pesticides and fertilizers and use only the recommended amount for the area being treated. Save leftover amounts for future use.
- Do not over-fertilize. Excess fertilizer and pesticides can promote the growth of plants and algae that clog our water ways and contaminate fish and wildlife in and around them. Do not apply fertilizers, pesticides and herbicides near driveways, sidewalks or close to the canals. Sweep up excess amounts of fertilizers, pesticides and herbicides. Never hose them into storm drains. Avoid over watering, it washes excess lawn and garden chemicals into storm drains that flow to waterways.
- Dispose of yard waste properly. Do not blow, rake, or wash leaves, grass clippings, or excess chemicals into streets, gutters, or storm drains. It is a crime and could result in fines.
- Store left over fertilizers, pesticides, herbicides and other hazardous chemicals dry, covered areas to protect containers from deterioration resulting from exposure.

BIG & HUGE PUMPKINS ARE WANTED IN OCTOBER - ARE YOU UP FOR THE CHALLENGE!?!

MARK YOUR CALENDARS...JULY 24TH—PIONEER DAY!!! WE WILL HAVE BREAKFAST, A PARADE AND ALL KINDS OF FUN. WATCH FOR NEXT MONTH'S NEWSLETTER FOR MORE DETAILS OR VISIT OUR WEBSITE AT WWW.NORTHLOGANCITY.ORG

FROM THE FIRE CHIEF:

The 2012 spring burn season for North Logan City and Cache County has ended. We will resume issuing permits in or around October. The number to call for a "burn permit" during burn season is **435-994-1530**.

ALL DOGS AND CATS ARE TO BE LICENSED AND HAVE CURRENT RABIES VACCINATIONS

TENNIS ANYONE? There are still a few spots left for Tennis Lessons...ages 8 to 14 years. Check our web site at www.northlogancity.org and on the right side you will see a blue icon "REGISTRATION". Your child could be the next Wimbledon Champion!

ALL CHILDREN.....3 TO 5 YEARS OF AGE....."ITTY BITTY BALL CLINIC"

The clinics will run for three weeks and each week is dedicated to teaching children the basics of one sport! Children will learn the basics of Basketball, Soccer, and T-ball. Each week on Tuesday and Thursday we will meet at Elk Ridge Park (1060 E 2500 N) at 9:00 am. Parents play a big role in helping their children learn. This is a great way to spend some quality time with your young ones while introducing them to new and fun activities. The cost is \$25.00. Register on line at www.northlogancity.org Second registration closes July 6th.

First session: June 5 to June 21

Second session: July 10 to July 26

SENIOR CITIZENS LUNCHEON

The North Logan Senior Citizens will hold their monthly luncheon at 12:00 noon on Monday, **JUNE 11th** at the Golden Corral at 2044 North Main in North Logan. The cost is **\$4.00** per person and all senior citizens are invited to attend. Please **RSVP** to Savanna Baker-753-0287, Lila Eddington-753-0203, Eva Fay Anderson-753-0340, Eileen Stocking-752-1217 or Alva Johnson 753-3070 by **5:00 pm on Friday, June 8th**.

Summer @ Your North Logan City Library

June 6th, 2012 — SUMMER READING KICK-OFF This is a family event. We will have Ray Checkett Amusements with inflatable rides and outdoor activities, Manning Music will be our MC & DJ with music and announcements for your convenience, Mikey's Balloons will be on hand along with Mary's Face Painting, and from A Lot of Fun Stuff we will have a strolling juggler and a Caricature Artist.
