

NORTH LOGAN CITY

"The Best Place To Call Home!"

SEPTEMBER 2013

MAYOR'S MESSAGE:

I count living in North Logan as one of the greatest blessings of my life. Surrounded by the beauty of majestic mountains, we enjoy a quality of life that is unparalleled in any other place I have lived. The opportunity to be a member of the City Council has deepened and increased my appreciation for our city. My time on the city council has opened my eyes to the amount of work and effort required to run our city. I now realize that prior to my time on City Council, I took for granted many of the services and amenities the city provides. Behind each feature of our city is a dedicated team of city employees who are committed to excellence in performing their jobs and to making North Logan a great place to live. I sincerely appreciate our city employees, who I have observed time and time again exemplifying professionalism combined with hard work. Even though the work is often challenging, our employees rise to the occasion time and time again. My thanks goes out to every member of the city's staff for all they do to make North Logan a truly wonderful place. Roger Anderson

WHAT'S HAPPENING IN CITY COUNCIL?

The City Council meetings for the month of September will be on the first and third Wednesdays, September 4th and September 18th. The City Council meetings start at 6:30 pm and are held in the meeting room at the North Logan Library.

During either, or both of the September meetings, the Council will continue working on several ordinances, some of which may be ready for official consideration during September or October. These possible ordinances include a change to the ordinances on noxious weed nuisances, ordinances on land donations and required park improvements for "Density Bonus" subdivisions, and a possible minor revision to the City Center ordinance adopted at the end of 2012. All of these potential ordinances are still in the concept stage and may or may not be ready for discussion by the council.

In August, the City Council adopted an ordinance making changes to the city's boundary with Logan City. It will take several weeks for that to become officially recognized by the County and the State of Utah. In the meantime the City Council will be working on the zoning designations for the property to be added to the corporate limits of North Logan.

Look for the official council agendas as they are posted at the city office and on the State of Utah Public Notice Website at <http://www.utah.gov/pmn/index.html>. The Herald Journal is given a copy of the official agenda as well

FRIENDS OF THE NORTH LOGAN LIBRARY

Friends of the North Logan Library are always busy in the summer with book sales, Summer Reading Program, Art on the Lawn, and the 24th of July Breakfast--all ways to serve our community, raise funds for our community's extraordinary library, and see old friends and make new ones. Our efforts continue into fall and winter with two more used book sales and our annual meeting in January when we host a well-known, interesting speaker and vote for officers to carry on Friends' tradition of service.

We invite you to join us as we seek new members this time of year. Next time you are in the North Logan Library, 435 E 2500 N, ask at the desk for a membership applications. We don't bite, our monthly meetings are short, and we have lots of fun being part of North Logan City.

IT'S ALMOST THAT TIME AGAIN - "SHOP WITH A COP"

The North Park Police Department has been involved in helping kids with a program called **Shop with a Cop** for the last 20 years. This year we would again like to invite citizens to donate to the program. The money is used to provide kids with a shopping experience during the holiday season in December. If you would like to make a donation to the program, make your check payable to **North Logan City-Shop with a Cop** and drop or mail it to 2076 N 1200 E, North Logan; or drop the check off at the Police Station at 22 E 2200 N, Ste C, in North Logan.

DO YOU HAVE WHAT IT TAKES TO BE A NORTH LOGAN 100 MILER?

Residents of North Logan are challenged to walk/run 100 miles this year between April 1st and October 5th. Those who complete the 100 miles will be given a T-shirt and prize. This is the final month to log your miles! For more information, please visit our web site at www.northlogancity.org. Bring completed forms to the city offices with contact information and T-shirt size. Prizes will be mailed out in October.

WATER CONSERVATION

With limited snowfall this past winter, North Logan City's culinary water supply is well short of average. Hopefully, the city will not need to impose water restrictions during August and September. However, in order to maintain city drinking water storage amounts at a safe level, we are asking residents to conserve water where possible on landscaping, and please do not wash cars, or spray driveways or sidewalks with culinary water. For more tips, go to: www.conservewater.utah.gov/Tips

STORMWATER CONCERN

We are asking the residents of North Logan, to please not place piles of topsoil, mulch, woodchips, gravel, dirt, tree limbs, or landscaping materials of any kind in the curb or roadway. A portion of these piles of material usually ends up in our inlet boxes, stormwater pipes, and canals, which may cause future flooding concerns and could potentially contaminate our surface water/ground water.
