

North Logan City is beginning construction to extend 200 East (Wolf Pack Way) from 2200 North to 3100 North. The new roadway will include:

### EXTENSION OF 200 EAST

- 2 lane roadway
- Roundabouts at 2200 North and 3100 North
- Sidewalk and asphalt trail

### CONSTRUCTION INFORMATION

Initial work will begin on Monday, November 28. Crews will be working along the new roadway alignment removing vegetation and fencing. This work will begin at 2200 North and proceed north. No traffic restrictions are anticipated with this initial work but motorists should expect truck traffic crossing at 2500 North and 2600 North. Traffic restrictions are anticipated later in the project as work begins at each cross street. The new roadway is scheduled to be complete in late summer 2017.

### ADJACENT PROPERTY OWNER INFORMATION

If you live adjacent to the new roadway and have a right-of-way agreement with the project, please note that landscaping and fencing removal will begin on November 28. All items will be removed per your agreement. If you have any questions or concerns please contact our Public Involvement Team at the phone number or email listed below.

### STAY INFORMED

Each week our public involvement team will be sending out email updates listing upcoming construction activities. We encourage you to sign-up for these updates so you can stay informed on traffic restrictions and get the latest news on the project. To sign up for the weekly updates, simply send an email to [200east@utah.gov](mailto:200east@utah.gov) with "Updates" as the subject.

Our public involvement team is also available by phone or email (see below) to answer questions or address concerns. Please do not hesitate to contact us regarding the project.
